

St. Gabriel the Archangel Catholic Parish

Alternative 2-Week 2026 Summer Intensive Program for Grades 7-10, for the 2026-27 Formation Year

With students' and families' schedules increasingly busy during the normal school year, St. Gabriel Faith Formation will offer a 2-week Summer Intensive Program **for 7-10th Graders** as an alternative to weekly Wednesday evening classes during the school year.

The textbooks and materials used will be the same as those used during the regular school year. Additionally, the number of instructional minutes is the same as during the regular school year (1,540 minutes or 25 2/3 hours). For these reasons, there is no change in tuition from that of the regular program schedule.

If a student/family opts for the Summer Intensive Program, please note that the other components of the program will still take place during the regular school year since they happen on a student's own available time, and regular "spiritual check-ins" with the parish will happen throughout the school year.

Class Schedule for 2026 Summer Intensive Program

July 13-17 & 20-24 (10 class sessions total)

Either 9:00 – 11:34 am each day
or 4:00 – 6:34 pm each day

Because of the small number of class sessions during the Summer Intensive Program, no absences, planned or otherwise (other than sickness), will be allowed during the two weeks of the program.

The Summer Intensive Program does not apply to Confirmation students, because the period of immediate Confirmation Preparation is less oriented to lecture-style classes, and is more geared toward spiritual reflection and personal preparedness to receive a sacrament.

**REGISTRATION FOR THE 2026 SUMMER PROGRAM
CLOSES AT END-OF-DAY, Monday, July 6, 2026.
Please register through the parish website, as usual,
and select "Summer Program."**
